

# Disclosure Check List

- Obtain the required materials for class and bring them everyday! (Science notebook, colored pencils, pen/pencil and Ipod Touch.)
- Return the \$5.00 lab fee and this page of the disclosure statement to Mrs. Strong by August 28. Please make check payable to Kearns High School. If you have a fee waiver, **please provide a COPY of the fee waiver** with this page in place of the check.
- Read the complete disclosure statement online and sign this disclosure statement

Returning this Signed document **with** the Lab fee is worth **100 points** every quarter.

## Assignment Requirements:

Assignments are to be completed and turned in on time. **No credit is given to late assignments.**

## Absences:

### Excused Absences

It is the responsibility of the student to obtain an excused pass form the attendance office and to show it to the teacher.

### Unexcused Absences

Unexcused absences (sluffing or failure to present an excuse pass from the attendance office) do not require the teacher to accommodate the student.

## Make-Up Work:

Please come after school to receive make up work. Just before, during or after class are NOT good times to get work from the teacher or to look up grades. Make-up work will only be given to students with EXCUSED absences.

## Substitute Behavior/ Expectations:

While a substitute teacher is conducting class all student will adhere to class rules and habits and will be on their best behavior. Students will also give the substitute teacher respect and consideration.

## Lab work and Safety:

Safety in the laboratory is a priority and will be enforced. You will lose lab credit for misbehaviors. Labs may NOT be made up.

# BIOLOGY DISCLOSURE

Mrs. Strong  
Room 112

[mwiebestrong@graniteschools.org](mailto:mwiebestrong@graniteschools.org)

[www.khsbiology.yolasite.com](http://www.khsbiology.yolasite.com)

In this class we will study a verity of subjects, including ecology, the structure and function of cells, organs and organ systems, genetics, the evolutionary process and the classification of organisms.

In addition, biology students will learn to design and perform scientific investigation based on the scientific method and to carry out various laboratory activities that will enhance the elements of the biology core curriculum. Students will also learn how to report and interpret experimental data, keeping a lab journal that will emphasize the importance of literacy in science,

Please read the complete Disclosure Statement online at [www.khsbiology.yolasite.com](http://www.khsbiology.yolasite.com)

# Required Materials

In order for students to succeed in this course the following materials are required and students are expected to bring these items to class every day.

1. **Pencil or Pen** (BLACK OR BLUE ink ONLY! Other colors are difficult to read and to distinguish from corrections. No credit will be given for assignments written in any other color unless specified for a particular assignment.)

2. **Colored Pencils** (At least 8 to 12 different colors.) We will be using these often.

3. **One college ruled notebook will be provided.** If used correctly this notebook will last most if not all year long. **NEVER RIP OUT PAGES OF THIS BOOK!!** This notebook is the students responsibility and loss of this notebook will be extremely damaging to the students grade. Replacement notebooks are the responsibility of the student.

4. **Ipod Touch.** With the necessary apps installed.

\*\* Text books will not be provided. You may checked out at the library use the text book online. You can find a link to this at the class website:  
[www.khsbiology.yolasite.com](http://www.khsbiology.yolasite.com)

\*\*\* Each student will be required to pay a **\$5.00** Lab Fee for the use of the equipment and the materials needed in the lab. Please show the receipt or fee waiver to Mrs. Strong to receive your 100 points per quarter.

**Fees due by August 28th.**
